Weald Bowls League Privacy Notice

The Weald Bowls League uses personal data for the purposes of running the league including communication between the clubs and between the clubs and the elected committee. Data will be deleted from the league's contact list and website upon the league committee being advised by email or in writing that the individual is no longer a club contact . If you would like to find out more about how we use your personal data or want to see a copy of information about you that we hold, please contact the league Secretary'.

NB - Emails to clubs from the league will be sent as "blind copies" to minimise the sharing of personal data.
